

Has someone made a difference
in your child's life?
Is there a community member or teacher
that has gone an extra mile?
Here's your chance to recognize them!

We are accepting PTA's Founders Day nominations. Founder's Day celebrates the birth of the Parent Teacher Association. We take this opportunity to honor parents, teachers, staff and community members who have made a significant contribution and have continued to help our children in outstanding ways. These special people will be recognized at our celebration in February.

Nominees can be teachers, staff, community members and outgoing 6th grade parents (youngest child in 6th grade). You can nominate multiple people (one form per nomination).

**Previous recipients cannot be nominated. They are listed on the back of this form.*

Please submit your nominations NO LATER than December 2nd. Additional forms are available in the main office or the PTA website.

Should you have any questions, please contact Mary Anne Chin at 868-2295 / mmchin@optonline.net or Heather Kopelman at 379-2145 / hcoocaro@aol.com.

Thank you for your help!
