

The Chatterton Elementary School PTA is looking forward to another great and exciting school year! We would like to extend a warm welcome back to our students, parents, teachers, staff members and administrators as school reopens on Tuesday September 6, 2011. The PTA would also like to welcome our new families and invite them to our New Parents Tea at 9:00 AM in the Chatterton All-Purpose Room. New parents will have the opportunity to learn important information, meet other parents, PTA board members, our Principal, Mrs. Davidowitz, and our Assistant Principal, Ms. Chimento.

Please join us at our Welcome Back Picnic scheduled for Thursday, September 8<sup>th</sup> from 5-7 p.m. on the Chatterton field. Food and drinks will be available for purchase and we will have a DJ providing entertainment. As always, this event promises to be a fun time for new and established Chatterton families.

Our first Chatterton PTA meeting will be held on Monday October 3, 2011 at 7 p.m. in the All Purpose Room. Throughout the school year meetings are scheduled at various times to try to accommodate the different schedules of our members. The PTA is an active and important part of life at Chatterton. Attending our monthly PTA meetings is a lifeline to school information. We truly appreciate all ideas, suggestions and concerns. The PTA success is built on the cooperative efforts of the parents, teachers, staff and administrators. Please join us!

Chatterton PTA has already taken steps to “go green” and will continue on that path. This year, families will again order and pay for their child’s lunch online. Another step we will continue is posting the Monday Memo online, which is saving hundreds of sheets of paper every week! We ask if you have not submitted your email address on our website please do so ASAP so you will receive an email link to the Monday Memo every Monday as well as other important PTA information. In addition, we will again post our “Welcome Packets” online. We request that all parents visit our website at [www.chattertonpta.org](http://www.chattertonpta.org) and read all the important information. The Chatterton PTA hopes our efforts to go green will continue to make parents’ lives easier as well as help our environment!

Best wishes for a successful and safe school year!
